Student book pages 208–209

C POTENTIAL AND KINETIC ENERGY

Reading Strategy Comparing and Contrasting

Read Potential and Kinetic Energy on page 208 in your student book. Then use the chart to compare and contrast potential and kinetic energy.

Comparing and Contrasting

- ✓ Tell how things are the same (*compare*).
- ✓ Tell how things are different (*contrast*).

Potential Energy	Both	Kinetic Energy
Objects can move.		

D RENEWABLE AND NONRENEWABLE ENERGY

Reading Strategy Using Idea Maps

Read about Renewable and Nonrenewable Energy on page 208 of your textbook. Then fill in the idea map with facts from the reading.

Using Idea Maps

- ✓ Use idea maps to show the relationships between ideas.
